

Why use The Tradeshow Stores?

ORDERING FROM THE INTERNET

■ STEP 1

I need a booth.

Go to www.awebsite.com to buy a booth from an Internet reseller. I can't talk to anyone to inquire about the booth quality or the booth's ease of setup. Maybe, just maybe, I will get what I want.

■ STEP 2

I need graphics for the booth.

Go to www.agraphicsite.com and try to explain via email what I need and the look I want for my booth. Maybe, just maybe, I will get what I want.

■ STEP 3

I need a printed brochure to hand out at the tradeshow.

Go to www.abrochuresite.com to buy a brochure from generic stock templates. Maybe, just maybe, I will get what I want.

■ STEP 4

I need promotional products to give away at the tradeshow.

Go to www.apromosite.com to buy cups, hats, and pens to give away and t-shirts for my booth staff to wear at the tradeshow. I upload my logo and select the closest color available to my company's corporate color. Maybe, just maybe, I will get what I want.
